The Week of 10/24

Get involved in community affairs, stay informed and vote.

Parents, we want to remind you that elementary students may only bring items for distribution to classmates on the three party days designated by the school – those parties are prior to winter break, Valentine's Day and end of year. These are also the only days that items of minimal nutritional value are allowed. Please do not send any food items or party favors to school at other times as they cannot be distributed. We appreciate your cooperation. Information regarding birthdays can be found in the elementary handbook on our Allen website.

Please remember to check out our 3rd Grade Website at <http://>
