I have read and understand the International School Parking Rules and Regulations printed on a separate form. I understand that if I park in a spot that is not assigned to me or that if I do not display the parking permit given to me by the school that I may be fined up to \$25.00 for each time I violate the regulations. I also understand that it is my responsibility to pay any fines in a reasonable time frame. I understand that if I have not paid my fine by the end of the semester or school year my yearbook may be held or I may forfeit my privilege to park on campus the following semester or school year until all fines have been paid in full.
