

Bright Elementary Library

Research and Homework Help is Here!

Frisco ISD elementary students now have access to four databases to help with research and homework.

Databases are electronic collections of fact-checked information organized for more effective searching.

For home access to databases:

1. Open the library catalog from the Bright Elementary Website
2. Choose the Research Tools tab
3. Choose a database
4. Use the correct password

Ebsco:

Searchasaurus: access to magazines, dictionary, encyclopedias, and pictures archive

EBSCOhost Web: encyclopedias, magazines, newspapers, and scholarly resources

<http://search.epnet.com>

Home Access: username = bright
password = winner

World Book Online: online version of the World Book Encyclopedia

<http://www.worldbookonline.com/wb/Home>

Home Access: username = frisco
password = schools

AccuWeather Premium Weather Service: weather around the world

https://www.accuweather.com/premium_login.php

Home Access: username = friscoisd
password = frisco

AP Multimedia: photo archives from the Associated Press

<http://ap.accuweather.com>

Home Access: username = friscoisd
password = frisco
