Please look over the contents of the weekly folder, sign the materials on the "return to school" side of the folder, and return it on the first school day of the week.

If you should need to check your child out of school before dismissal time, please send me a note the morning of the early dismissal. This will allow us to be prepared. If your child checks out of school early, enters school late, or is absent, they will have missed instruction and assignments. I will provide a list of the activities missed. Students are responsible for making up any missed work. Refer to the handbook for information on making up missed work. Ask your child to see the list of missed assignments and assist them in promptly making up the work. Please sign the assignment sheet and return it with the makeup work.

As you notice on our class schedule, we have frequent bathroom and water breaks. Please encourage your child to use the restroom during our scheduled visits. When students must leave class to go to the restroom, they miss instruction.
