OTHER IMPORTANT ANNOUNCEMENTS

Many thanks to all who were able to attend Curriculum Night. I appreciate that you took the time to come and meet with me.

Monday, September 5, is a school holiday. School will resume on Tuesday, September 6.

The health project for the nine weeks was included in last week's folder. It can also be found on our website. The project is due no later than Oct. 3.

The kids were so excited at the fun run. They gave it their all. Please send in the money for pledges by Thursday, September 8. Thanks for all of your support.

Please look over the contents of the weekly folder, sign the materials on the "return to school" side of the folder, and return it on the first school day of the week.

Students should be reading and practicing math facts each evening. AR requirements for the first nine weeks include earning 10 AR points with at least 80% accuracy.

If you should need to check your child out of school before dismissal time, please send me a note the morning of the early dismissal. This will allow us to be prepared.

As you notice on our class schedule, we have frequent bathroom and water breaks. Please encourage your child to use the restroom during our scheduled visits. When students must leave class to go to the restroom, they miss instruction.
