

# Second Grade Scoop!

For the Week of Nov 28 - Dec 2

## Parent's Points of Interest

### Magical Math

In Math we will continue to practice adding sets of coins, including a half dollar. At home, your student should practice totaling money from a set of coins.

### Reader's and Writer's Workshop

Reading: We will introduce inferencing to support the reader's comprehension.

Writing: Students will learn to create a strong lead in their stories. They will learn how to add dialogue to make their stories more interesting!

- ◆ Please make sure that your child is wearing or bringing tennis shoes on their assigned day for PE.

- ◆ BOOK FAIR AND BEYOND! November 28—December 2

### Super Science

In Science, we will be talking about movements of objects including rolling, spinning and sliding. We will experiment with different kinds of uncooked pasta to create a vehicle.

### Social Studies

In Social Studies, we will be discussing natural, renewable and non-renewable resources.

### Teacher Talk

Our Winter Party on December 16th will feature a book exchange game. Please send an **unwrapped** book with your child no later than Wednesday, December 14th. The 2nd grade teachers have identified several age-appropriate chapter books. Please select a book from one of the following series: *Cam Jansen*, *A to Z Mysteries*, *Geronimo Stilton*, *Magic Tree House*, *The Bailey School Kids*, *My Weird School*, *Nate the Great*, or *the Vet Volunteers*. We appreciate your help making the party both fun and educational for our 2nd graders!
