

What's New in Kindergarten?

September

September 29, 2011

What Are We Learning Next Week?

Math: We will continue working on counting and will begin recording numbers in our math journals.

Reader's Workshop: We will introduce the color **orange**, and will make our crayon and browsing box books. We will also talk about the reading strategy of visualization to help us become better readers.

Language Arts: We will learn the letters H, K, and L. We will also practice hearing sounds in letters using Elkonin boxes.

Word Wall Words: **orange**, can (previous weeks words: at, the, yellow, me, **green**, **red**, **blue**, I, a)

Science: We will begin our study on apples.

WINTER WEAR

As the cooler weather starts to approach please remember to send your child with a labeled jacket for recess. Also, remember to check the change of clothes in their backpacks to make sure it is appropriate for cooler temperatures.

Please send one apple to school with your child on Monday, October 3rd for our science lesson.

Important Dates

- 10/4- Frisco Reads
4:30-6:30
- 10/7- Walk to school day
7:30
- 10/7- Pumpkins on the Prairie money due
- 10/10- Parent Teacher Conference Day
- 10/14- Frisco ISD Chili Challenge/Frisco Nation

Parent Teacher Conferences

Please keep in mind when attending your child's conference that the teacher must strictly stick to the 20 minute time limit as most conferences are scheduled back to back. If you need extra time or have more questions you can set up another time to conference or contact your child's teacher via email.

"What you believe, you can achieve."

-Mary Kay Ash

Pumpkins on the Prairie

Remember to return your child's signed permission slip and \$5 CASH for our Pumpkins on the Prairie Study Trip. The money and permission slip are due on Friday 10/7/11.
