uncover										
2	3	4	5	6	7	8	9	10	11	12

How to Play:

- Players sit across from each other.
- Use the chips to cover each number.

- The first player rolls both dice.
- Add the numbers.
- Find the sum on the board and “UNCOVER” it.
- Take turns rolling the dice.

- The first player to uncover all of the numbers on their side of the board is the winner.

Challenge:

Play with 3 dice, creating 3 addends.

Play for doubles by using one die and only uncovering even numbers.
