

Friends 4 Frisco ISD Mentor Training

Consider Friends 4 Frisco

Our youth need caring adults guiding them through their struggle with growing up while learning to make responsible choices. Are you a caring person willing to give of themselves and their time in order to invest in a young person? Do you have a sincere desire to be involved with a young person? Do you respect for young people? Are you an active listener? Are you empathetic? Do you see solutions and opportunities? Are you flexible and open?
