

"Choice Day" Selection Form

Dear 4th and 5th Grade Parents,

This year, we are pleased to continue a 6-day rotation schedule for C.A.M.P. classes (Computer, Art, Music, P.E.) Your 4th or 5th grade student will select an elective to attend on "Choice Day", in addition to Computer, Art, Music, and PE. Below are the descriptions of the five "electives" offered on "Choice Day". Please complete the sign-up portion of this page and return no later than Wednesday, August 24th.

Creative Crew: Creative Crew is an exciting class where children explore their creativity through a variety of art projects with continued one-on-one instruction from Miss Alban. Students will further explore the Elements and Principles of Design as well as expand on key concepts of the visual arts; like color theory, value scale, shading, sketching, contour lines, and various painterly techniques. Join the fun!

Elliott's Fitness Club: Elliott's fitness club is looking for students who enjoy challenging themselves. In fitness club, students will experience different activities that will provide them with a well rounded and balanced fitness program. Our activities will include individual and team jump roping, running, weight training, cardio exercises, basketball, soccer, and much more. If you want to challenge yourself to be the best you can be while having fun, please sign up.

Elliott Encore: Elliott Encore means you get to experience more fun with music! Students who select the club, Elliott Encore, will have the opportunity to play music written for Orff xylophones, percussion, recorders and drums. Members will participate in musical activities that include speaking, singing, playing, moving and creating. You will also have an additional opportunity to perform!

Media Mania: Media Mania is for kids who would like to learn more about the amazing things they can do on a computer. In Media Mania, students will explore new programs and increase their knowledge about computers. If you have an interest in computer graphics, basic web page design or programming, sign up for Media Mania!

Peer Pals: Peer Pals is a new peer mentoring program at Elliott! Students who select Peer Pals will be paired with a younger student in one-on-one relationships in order to provide extra support for that student. Activities may involve a tutoring or teaching component, personal mentorship and guidance, or both. They will provide advice and support and serve as role models for younger students. Peer Pals will provide mutual benefits for both the mentoring student and the "pal" as they form a valuable friendship!

(Please Return the Attached Form No Later Than Wednesday, August 24th)

"Choice Day" Selection Form

Please return this form to your child's homeroom teacher **NO LATER** than
Wednesday, August 24th

Child's Name: _____ Grade: _____
