Reminders/Important Notes

Responsibility and Independence: Responsibility and Independence: We have been working diligently this semester on becoming independent and responsible kindergarteners. My, how far we've come! In an effort to support these important life lessons, we are encouraging all kindergarteners to be dropped off in the carpool lane or front doors of the school so that they may walk themselves into the building each morning (or ride the bus as so many already do). Being able to walk yourself into school, hang up your backpack and take a seat in class helps build confidence and empowers our kiddos to be the best they can be. Thanks so much for your support!

PJ's, Slippers, and a trip on the Polar Express!! Next Thursday is our Polar Express Day! Please sign the permission form and return to your child's teacher!

The winter party is next Friday. It will begin at 1:30 in your child's classroom. Like the feast, there will be a sign out sheet for you to take your child with you after the party if you'd like!
