

JANUARY 2010 Issue 5: 2009-2010 (1 OF 2)

The January Little Elementary Newsletter will be delayed until the 3rd week of January and will most likely be merged with the February newsletter.

The Jefferson County School District Facilities usage Committee will meet on January 14th to discuss the final list of options regarding potential school closures or reassignment of school facilities in Jefferson County. See page 2 of the newsletter for the final list of options that will be presented to the district on the 14th.

The final choices regarding these options are expected to be announced during the 3rd or 4th week of January. Since at least one of these choices could directly affect Little Elementary students and faculty and many of the decisions could affect other students in the Arvada community, we will wait to publish an all encompassing newsletter with the results and possible discussion about those results until the last part of January.

Important January Dates
