

Quest News- Gifted and Talented

Issue 3

November 2011

Frisco ISD- Mrs. Dinger

Fall 2011

Quest happenings:

1st and 2nd grades:

We are working on learning about logic puzzles with our Crystal Pond characters. We will also learn how to write our own logic problems during November.

3rd, 4th, and 5th grades:

We have started the ancient Egypt unit. We are learning about the Nile River and its importance to the people of ancient Egypt. We will learn about elevation maps and will create a relief map over ancient Egypt. We will also learn about transportation during the time period. We will conduct a problem solving activity over transportation. Thanks for the paper towel rolls. We will use them the week before or after the Thanksgiving break. So feel free to send them until then.

Kinder GT testing

Kinder testing has started. I have worked the schedule out this year so that we do not have to cancel class for a week. I know the kids will be happy about this!

Parent group:

The S.A.G.E. group- This group just hosted a game night at Wakeland. I will forward emails from them for your information. If you don't want those emails forwarding to you, please let me know.
