

Quest News- Gifted and Talented

Issue 2

October 2011

Frisco ISD- Mrs. Dinger

Fall 2011

Quest happenings:

1st and 2nd grades:

We are continuing our unit on convergent thinking. We will work on logic grids and students will create their own puzzles for classmates to solve. After we complete our logic grids, students will play a game which requires deductive logic and analytical thinking to arrive at the one correct answer.

3rd, 4th, and 5th grades:

Students will wrap up the brain unit on the week of October 10th. After that, we will begin the unit over Ancient Egypt. This is the unit through which we will teach our GT skills through the rest of the year. We will begin by studying the geography of ancient Egypt.

Parent of 3rd, 4th and 5th grades: I am in need of paper towel rolls for a project. I will collect these for the next 3 weeks. Thanks!

What is a mummy's favorite type of music?

See Mrs. Dinger for the answer.

Kinder GT testing

The district is accepting nomination for our kindergarten students—

Monday, October 17th- Monday, October 31st.

Just email me for a nomination packet.

Parent group:

We no longer have the GATES group for parents. We now have the SAGE group. This group is under PTA. They do have a website- www.friscosage.com.
