## Community Service Projects

---

### **Volunteer Tutoring**

- I tutored for struggling math students. I often did this after school for a couple of hours to help them get caught up in their math class.

### **4-H Member**

- Trash Pick-up- Our 4-H club adopted a highway and we picked up the trash on that highway every spring for an entire afternoon.
- Sign Painting- As a community service we painted signs for the Powell area roads with neighbor's names and mileage listed.

### **Brandings**

- I have helped community members brand their cattle in the spring for several years now.

### **Student Council Volunteer Work**

- Meals on Wheels- This is where we delivered meals from a local restaurant to elderly or handicapped people in our community. Members would do this during lunch.
- Make a wish- Our student council raises money through coin drives and donations for the Make a Wish council. This is an annual community service project.
- Senior Citizen Baskets-Members of the student council make Christmas baskets annually for the senior citizens of the community.

### **FFA Volunteer Work**

- Showmanship clinics- The Powell FFA holds an annual Showmanship clinic for FFA and 4-H members to help them develop their skills.
- Canned Food Drives- We collect canned foods and donate them to the food bank. Sometimes we would "Trick or Treat" for items.
- Adopt A Family- During the Holiday season we purchase presents and wrap them for a family that has financial difficulties.
- Bullying Hurts- We educate 3<sup>rd</sup> graders on the problems of bullying and how to stop bullying from occurring.

### **Raking Leaves for the Elderly**

- The 2008 class of Powell High school raked leaves for the elderly in the fall.

## Work Experience

---

### Padlock Ranch - Ranch Hand (summer 2005 to present)

- Varied Ranch Work  
During the year I do different tasks for the ranch. Some of the jobs that I do are to herd sheep and work them to separate the different bunches. Docking is a job in the late spring that we do to castrate and paint brand the lambs. I also flood irrigate the ranch's fields in the summer and drive the swather when we cut the fields. I help calve cattle in the winter. I help feed hay and grain during the winter to our livestock as well.

### Jane's Lawn Care – Owner (summer 2005)

- I started my own lawn care business and advertised my business in the area using T-shirts I custom designed. I was responsible for mowing lawns, rototilling, weed eating, trimming hedges, watering, and general landscaping.
