# 4th Grade News Flash

February 6, 2012

## MATH

Measurement! We will be using centimeter cubes and square tiles to explore length, perimeter, and area.

## SCIENCE

This week the student will learn that energy exists in many forms and can be observed in cycles, patterns, and systems. The student is expected to differentiate among forms of energy, including mechanical, sound, electrical, light, and heat/thermal.

## Important Dates

January 23- February 3- Green Team Phone Book collection

February 2nd-15th-Skating in PE for grades 3-5

February 13th-PTA Board Meeting
