Guided Reading Folder

In the Thursday folder this week is a letter regarding Guided reading books. Please fill it out and return it the next day with your child. We will start sending home guided reading books in the next few weeks. You will find a pocket folder in your child's star binder. This is where you need to keep the book after reading. It is very important that you read with your child and also to bring the book back each day. We will be using these books in class as well.
